was a quick interesting read, and I love the
story of cinderella. I had one major issue
with this story, it was all about her beauty.
spoiler in the end, I kid you not, her god-
mother came out and made her beautiful again.

Editorial Reviews. ... I collect Cinderella
books and love versions from around the
world. Because it was called a "shape book"
and by the clock on the front I expected it
to be a Cinderella story for younger kids
with shapes labeled (like clock labeled
circle etc.).

Cinderella By: Henry W. Hewett This book is an older version of the book Cinderella. The genre is fiction. In my opinion this book is a great book I like it because personally like the older version of any book especially if they are somewhat fantasy. I also liked how the stepmother was described in this book.
