### **CITROEN BX 16V pdf Workshop Service Repair Manual**

The Citroën BX is a large family car which was produced by the French manufacturer Citroën from 1982 to 1994. In total, 2,315,739 BXs were built during its 12-year history. The hatchback was discontinued in 1993 with the arrival of the Xantia, but the estate continued for another year. The BX was designed to be lightweight, using particularly few body parts, including many made from plastics.
