City in Embers started out a bit strange in the way the characters, their backgrounds, and the world around them were introduced. It sort of threw you into the action and then took a step back, which was confusing at first, but in hindsight, actually worked well with regards to the plot development.

Book Review- City in Embers by Stacey Marie Brown Zoey Daniels is a collector for a secret government department (DMG) that catches Fae and studies them. She is a seer. She has the ability to see passed the glamour Fae use. She and her partner Daniel Holt make a good team even though there is a twenty year age difference.

### **City in Embers (Collector, #1) by Stacey Marie Brown**

City In Embers (Collector Series Book 1) ... Brown does a great job of capturing a world of realistic city life, hard foster realities, and magic all in one messy ball. She tackles hard subjects such as abuse, self-image issues, fighting, ethical choices, death, and weighing the importance of personal interests versus keeping moral codes. ...
