**The third in the Hainish Cycle, City of Illusions was the most recent Le Guin book that I was able to read. Well actually I listened to it on audio because I've really been getting into audiobooks of late.**

**City of Illusions: Amazon.co.uk: Le Guin, Ursula K ...**  
**\*\*City of Illusions\*\* is part of the \*\*Heinish Cycle\*\*, and a good one (3.5) at that! This book starts out slow, and then meanders, and then reaches a pretty good ending - that is cut way too short, in my opinion. As is common with Ursula K. le Guin, we see the protagonist on a not-quite-intentional journey.**

**Signed "For Larry T. Douglas, With all good wishes, Ursula K. Le Guin, Sept. 97" on the first white page. Combines Rocannon's World, Planet of Exile, and City of Illusions into one volume. Book is in very good + (previous owners bookplate inside the front cover) condition with a very good (spine lightly sunned, edgewear and tape repairs on reverse) unclipped dustjacket protected in a Brodart ...**

**Le Guin's City of Illusions: Language and Trust on Space ...**

**Ursula K. Le Guin's HAINISH CYCLE continues with City of Illusions, which I liked better than its predecessors, Rocannon's World and Planet of Exile. City of Illusions takes place on Earth sometimes in the far future after an alien invasion has killed off most of the people and has completely changed the Earth's ecology, infrastructure, and geopolitical arrangement.**
