from UL (with testing conducted at a Civil Defence Approved Laboratory). If testing was completed at a non-approved laboratory, further testing shall be required. Also see Item 5. 3. The UAE Civil Defence will not accept tests conducted at any manufacturing location. Testing and Certification must be provided by an approved laboratory.

?????? ?????? ?????? - Civil Defense Kuwait

Civil defense (civil defence in UK English) or civil protection is an effort to protect the citizens of a state (generally non-combatants) from military attacks and natural disasters. It uses the principles of emergency operations: prevention, mitigation, preparation, response, or emergency evacuation and recovery. Programs of this sort were initially discussed at least as early as the 1920s ...
