Cloud Security: A Comprehensive Guide to Secure Cloud ...
The White Book of Cloud Adoption is still available and provides a comprehensive overview of the whole topic. But given the ongoing questions, we believe there is a need to explore the specific issues around cloud security in a similiarly comprehensive fashion.

Cloud Security A Comprehensive Guide
It turned out to be a general book about IT security. I was in disbelief and had to go through it a second time to be sure. I had expected much with a title like "Cloud Security: A Comprehensive Guide to Secure Cloud Computing", but this book did not deliver in the slightest. Cloud security is much different that IT security in general.
