At the beginning

Online Library Cobol For Aix V4 1 1 Programming Guide.htm

of this series,
we argued
against
converting your
COBOL programs
to Java and
advocated
migrating to one
of the latest
versions of
COBOL instead.
We provided
first steps to
take in this

Online Library Cobol For Aix V4 1 1 Programming Guide Ibm

migration process in our last post. Here, we'll discuss the difference between COBOL Version 5.2 and 6.1 to help you determine which release you should migrate to first.
