Go to the DVR Self-Install Guide on comcast.com. The guide contains documentation on how to connect your DVR to a standard or high-definition television. Page 14 Does the DVR automatically erase programs when the record space is full? Yes. DVR is set to automatically erase programs when space is needed. DVR deletes the oldest recordings first.

### How To Get Started with X1

The installation went well, although I did have to call to have the DVR activated. I now realize that the phone number they wanted was the Comcast TP number, not my landline number, and I think that's why the self-activation failed. I successfully installed the RNG1500 on my second TV - this time, using my Comcast phone number to activate.
