Introduction. Social motivation has been defined as a drive for a particular goal based on a social influence (Hogg and Abrams, 1990). Although research has examined correlative relationships between competition and learning (Dweck and Leggett, 1988; Zimmerman, 1989; Oldfather and Dahl, 1994; Wentzel, 1999), few studies have examined how the presence of a competitor directly influences ...

Let your voice be heard! Bonus AP Language and Composition Terms. Here are 18 bonus AP Language vocabulary terms that, while not absolutely essential to your success on the exam, will be very helpful. They identify some common but obscurely named rhetorical techniques and some additional rhetorical and argumentative strategies.

The 55 AP Language and Composition Terms You Must Know

A signal is recorded digitally by an analog-to-digital converter, which measures the amplitude of an analog signal at regular intervals specified by the sampling rate, and then stores these sampled numbers in computer hardware. Numbers on computers represent a finite set of discrete values, which means that if an analog signal is digitally sampled using native methods (without dither), the ...
