Amazon.com: Physical Science: Concepts and Challenges ...

Concepts and Challenges...the whole series, is great for a 7th or 8th grader. It breaks up the concepts into small bites and is easy to understand...but it doesn't dumb the information down. I got the book for the electricity section for a 6th grade homeschool unit study, and I ended up buying all of the series...Life, Earth and Physical, along with the teacher manuals for next year's science books.
