The essential details of Austrian writer Thomas Bernhard's formative years are unforgettably recorded in his autobiographical work Gathering Evidence, which is written in the same iconoclastic, relentlessly repetitive style of lyrical imprecation that he devised for his novels. There, we learn of the decisive impact of his encounter with the "terminal disease" that was his native city of Salzburg as well as his discovery, thanks to the guidance of his maternal grandfather, the writer ...

Concrete by Thomas Bernhard (ebook)

Readers already familiar with Thomas Bernhard's work should likely find Concrete to be one of his easier to read novels. As with other Bernhard narrators, this one, an ailing and curmudgeonly musicologist, has failed to produce anything "concrete" following his years of painstaking research.

The Art of Extinction | The New Yorker

Concrete is my second novel by the highly regarded German novelist, Thomas Bernhard (1931 to 1989). My first was Wittgenstein's Nephew, which I liked enough to expand by reading of Bernhard. A bit of research indicated that perhaps his highest regarded novel is Concrete so I decided to read it next. I liked both novels a lot, with no clear preference emerging.

Toni Morrison wrote *Beloved* on a foundation of historical events. The most significant event within the novel--the "Misery", or Sethe's murder of *Beloved*--is based on the 1856 murder by Margaret Garner of her children to prevent them from being recaptured and taken back into slavery with the passage of the Fugitive Slave Act of 1850.

In both the characters of himself, Thomas Bernhard, in *Wittgenstein's Nephew*, and of Rudolph in *Concrete*, the main characters live lives centered heavily *INSIDE* themselves, about themselves. Most people whom I've encountered seem to live mainly outside themselves in the various life projects they've assumed -- the job they have, their family life, a hobby, the world of spectator sports and so on.

Thomas Bernhard's *Concrete* is a darkly comical, spiraling plunge into the mind and soul of it's narrator as he gripes and groans about his lot in life. He manages to create blockades for himself everywhere he turns, always perceiving the world around him as threat to him and as stifling his creative genius.
