- Knowles does a good job of describing the splendor of the palace where Taren lives with just the right amount of sumptuous detail. CONS: - I was a little taken aback by how easily Kael accepts the whole being-sold-into-slavery situation. He does THINK of it with shame, but outwardly he puts up very little resistance.

“Princes are fighters or administrators. Neither of those things do much to spread joy in the world. Whores, concubines, and catamites, on the other hand, are all about giving satisfaction. Now granted, sexual pleasure is a temporary sort of happiness, but it is better than a new tax or a sword in the gut.” ? Jill Knowles, Concubine
