### **Contact (novel) - Wikipedia**

As far as I know Contact is Carl Sagan's only novel. This makes him almost the Harper Lee of sci-fi (though he did write boatloads of sci-fact books). Not being much of a nonfiction reader this is my first encounter with Carl Sagan's writing, I already feel like it is a shame that he only wrote the one novel; though I am sure the world is more than compensated by his other output.

### **Amazon.com: Contact: A Novel eBook: Carl Sagan: Kindle Store**

Books about contact with extra-terrestrials are adime a dozen however what makes this one worth the read is the fact that a scientist of significance (Carl Sagan) has written it. The plot started a little slowly however his description of how the world might react to a message from space and what action it might take is quite interesting.
