Z120 Engine Specifically for the TO-20? Posted on October 25, 2016 by Rick Weaver. Do you know if the Continental Z120 Engine was made in 1946 specifically for the To-20? or was it made prior, and was it used in something else? Also, the engine-block cracking problem that it had, was that from the ones that overheated, or from something else? ...

R F Engine Engine and Engine Parts to fit Continental®

Cracked Block Options. Posted on October 26, ... Will a different engine, like a Z134, fit this tractor or is welding a better option? ... The Z120 block can also be used to replace the Z129 but to do so you would have to use the Z120 cylinder head and the Z120 generator. Of course you would also have a tractor with less power.
