Project MUSE - Corporate Warriors: The Rise of the ...

With the rise of the privatized military industry, actors in the global system can access capabilities that extend across the entire spectrum of military activity—from a team of commandos to a wing of fighter jets—simply by becoming a business client.

Corporate Warriors: The Rise of the Privatized Military ...

The book that I am currently reading is "Corporate Warriors: The Rise of the Privatized Military Industry" intrigued me because it provided a honest look into the operations and politics of the Privatized Military Industry. The book is about PMCs (Private Military Contractors) that do the same job as armed services but they get paid more.
