Welcome to the Geometry Connections Parent Guide. The purpose of this guide is to assist you should your child need help with homework or the ideas in the course. We believe all students can be successful in mathematics as long as they are willing to work and ask for help when they need it.

Chapter 7

The Parent Guide resources are arranged by chapter and topic. The format of these resources is a brief restatement of the idea, some typical examples, practice problems, and the answers to those problems. The Parent Guide is available as a printed copy for purchase at the CPM Web Store or accessible free below.
