Capability approach - Wikipedia

Creating Capabilities is an introductory text concerning the "Human Development Approach" or "Capability Approach" to national development. The central question of this development perspective is this: "What is each person able to do and to be?" In other words, opportunities are open to all citizens. On this basic level, the approach has much in...

Creating Capabilities: The Human Development Approach

The capability approach (also referred to as the capabilities approach) is an economic theory conceived in the 1980s as an alternative approach to welfare economics. In this approach, Amartya Sen and Martha Nussbaum bring together a range of ideas that were previously excluded from (or inadequately formulated in) traditional approaches to the economics of welfare.
