THE BOOK » Creating Innovators

In Creating Innovators: The Making of Young People Who Will Change the World, Tony Wagner argues that if the United States is to thrive in the decades to come, schools must make the development of creativity and innovation a primary objective. There are just a couple of things wrong with this vision, as Wagner is quick to point out:

(PDF) Creating Innovators: The Making of Young People Who ...
Creating Innovators Introduction Recent events and new questions and insights have compelled me to write this book. My last book, *The Global Achievement Gap*, published in 2008, described the new skills students need for careers, college, and citizenship in the twenty-first century and the growing gap between these skills versus what is taught and tested in our schools.
