Creative's help desk was no help at all  
with this problem. After many emails  
back and forth, they obviously had no  
clue what the problem was. And email  
is the only option. You can't talk to a  
person. I called Amazon's customer  
service, and they, on the other hand,  
were extremely helpful. They sent out  
a second unit, which arrived three  
days later.
