Seeing the obvious synergies, its planners endorsed a proposal to make the Journal for the Study of Religion, Nature and Culture its first, official scholarly publication. The society was officially formed through elections held a year later, in September 2006. Please feel free to write to the editors with your ideas for this exciting journal.

International Journal of Culture and Religious Studies ...

Religion, however, is communal, particular and defined by boundaries. It is spirituality incarnated at the social and cultural level. Religion takes the boundless and binds it into the limitations of language and culture, even as it may also transform culture. “ Religion ” derives from religio, “ to bind back or to tie. ”
