Cultures Consequences International Differences
In his bestselling book *Culture's Consequences*, Geert Hofstede proposed four dimensions on which the differences among national cultures can be understood: Individualism, Power Distance, Uncertainty Avoidance and Masculinity. This volume comprises the first in-depth discussion of the masculinity dimension and how it can help us to understand differences among cultures.

Culture's Consequences: International differences in work ...
If you have traveled a lot before, you know that there are huge differences in communication between people from one country to another. In some cultures, people are loud, direct or even blunt and tend to interrupt others during a conversation. In others, people are typically soft-spoken, use flowery or indirect language and wait patiently for others to finish their sentence. During a business meeting, these differences are likely to come to the fore.
