Transfer Switches - cutler-hammer.ca

Detailed Description: Eaton / Cutler Hammer Manual transfer switch is designed to power emergency circuits during a power outage. It is used in combination with a power inlet box and portable generator. It measures 16.800 Inch x 4.400 Inch x 14.300 Inch. Switch has a voltage rating of 120 - 240 VAC and a current rating of 60 Amps.

Siemens / ITE / Murray / Square D / Cutler Hammer Kit K ...

Eaton's double-throw safety switches include two interlocked switches with a common connection used to transfer service from a normal power source to an alternate source, or to switch from one load circuit to another. The interlock ensures both switches cannot be closed at the same time, preventing them from being operated in parallel.

Eaton / Cutler Hammer CH816GEN6060 Transfer Switches ...

Cutler Hammer Interlock Kits. We've specially designed several Kits to work with Cutler Hammer electrical panels. Each kit acts like a manual transfer switch, and allows you to safely connect your portable generator to your home's electrical panel; you'll be able to power household systems and use your power outlets as usual in the event of an outage.

Interlock Kit K-6610 acts like a manual transfer switch for a Cutler Hammer electrical panel; this kit lets you safely connect your generator to the panel. To take full advantage of this site, please enable your browser's JavaScript feature.

Automatic Transfer Switch - electricalpartmanuals.com

The Cutler-Hammer transfer switch is a rugged, compact design utilizing insulated case switches or insulated case circuit breakers to transfer essential loads from one power source to another.

Double Throw Safety Switch | General Duty | Knife | Eaton

The Interlock Kit is simple and ingenious; it provides a mechanical Interlock, which acts as a manual transfer switch so that the utility and generator breakers cannot be turned on at the same time. The Kit isolates the two systems so that power from the generator will never back feed into utility lines, and vice-versa.
