D4D 'knocking' on cold start under acceleration ...

A colleague had a D4D Hilux (2007 vintage) with the cold start rattle that slowly deteriorated into a death rattle of smoke and no power, until he gave up and had

Access Free D4d Hilux Engine Knock

the injectors replaced. If the noise gets worse over time, something has changed and it normally is not good news.

Hey guys, newbie

here! Ive got a Dec

12 3.0 D4D and its

recently started

making a knocking

noise in the engine,

under load. I had

the injectors tested

and two were

apparently shot, so

they replaced

those, however the
