Doosan DX300LC Hydraulic Excavator - ritchiespecs.com

"Doosan has created an unbeatable hydraulic excavator with a cost-performance ratio that makes the DX 140LCR a leader in its class. The machine's ultimate competitive advantage for work in confined spaces in both built up and rural areas is the capability it delivers for its size." Doosan general manager Theo Valk says.

Doosan®

From what I've heard the Doosan machines are more or less copies of the latest Daewoo dash 5 series of excavators. The smaller machines are popular around here, especially with urban construction. From my own experience working in an office with one digging a trench for cables right outside, it was a very quiet machine.
