SOLVED: Where is the daihatsu terios vehicle speed sensor ...  
Can someone maybe help me with this problem I have inherited ... a few weeks ago we had a 2008 daihatsu terios 4x4 1.3 petrol vvt, come in with overheating problems , it was running fine just boiling over after a while , we diagnosed a faulty head gasket as it failed a chemical reaction test. So my colleague removed and replaced the head gasket and all other gaskets etc inc plugs and oils. No more problems.
