At Daisy Outdoor Products, we strive harder than the rest to ensure our products are of the highest quality, and that includes everything from our BB guns to our safety programs to our customer support. If you have an issue with one of our products, there are several ways to get help.

### bb gun review: daisy powerline 856

Hello everyone. I still have my first air riffle, BB gun and it is the Daisy Powerline 856. It shoots BBs and lead pellets. It is an air riffle in which you have to pump up each time to shoot. The gun will not pump up and you can hear air leaking from the barrel and from the plunger area under the gun.
