Death, Dying, and Bereavement by Judith Stillion - Goodreads

The work of sociologists in the study of dying, death and bereavement dates back to the 1960s in the United States, when the first (and still influential) empirical observational studies looking at the care of people who were dying were conducted within hospitals (Glaser and Strauss 1965, 1968, Sudnow 1967, Strauss 1970). Such research fundamentally changed the way people thought about the management of dying and death, and brought into sharp relief the experiences of those who were

Death in the Modern Greek Culture
Panagiotis Pentaris Abstract Each culture recognizes and identifies death, dying and bereavement in unique ways. Commonly, a culture may be seen through the lens of death rituals; how those are shaped, interpreted and used by the society.

PSY: FTQ Flashcards | Quizlet

Phenomenologists would insist that theories about death, dying, and bereavement must be grounded in understanding of the distinctive combinations of experiences within which we become familiar with them. They view the stories of those who have the experiences as the heart of the matter in building such theories.
