Deathworld Trilogy Harry Harrison

Kevis wrote: "Space opera is a branch of science fiction where the story generally takes place in outer space. Its focus is usually on adventure on a grand, epic scale, rather than the technical aspects of space exploration which you might associate with Hard Science Fiction which places the focus on the science, rather than the humanistic elements found in space opera."

Best Space Opera (829 books) - Goodreads

The Hugo Award for Best Novel is one of the Hugo Awards given each year for science fiction or fantasy stories published in, or translated to, English during the previous calendar year. The novel award is available for works of fiction of 40,000 words or more; awards are also given out in the short story, novelette, and novella categories. The Hugo Awards have been described as "a fine ...
