While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature through the computer or on a variety of mobile devices and eBook readers.

Debating The Athenian Cultural Revolution

This book attempts to look at a wide range of evidence for cultural change at Athens and to examine the ways in which the changes may have been coordinated. It is a complement to the examination of the rhetoric of revolution as applied to ancient Greece in Rethinking Revolution in Greece (Cambridge, 2006).
