Defending the Undefendable II - Mises Institute

Defending the Undefendable performs the service of highlighting, the fullest and starkest terms, the essential nature of the productive services performed by all people in the free market. By taking the most extreme examples and showing how the Smithian principles work even in these cases, the book does far more to demonstrate the workability and morality of the free market than a dozen sober tomes on more respectable industries and activities.

Books | Mises Institute

What was one of the most memorable moments of Defending the Undefendable? The whole book is one huge memorable moment. And I hope to remember the facts and the logic presented by Walter Block here the next time I have to debate someone on personal liberty and statelessness. Have you listened to any of Jeff Riggerbach's other performances before?

Defending the Undefendable – Reason.com

Defending The Undefendable ... Walter Block leaned on 82 of the world's most prominent libertarian thinkers and asked them to tell their life stories with an eye to intellectual development. The result is the most comprehensive collection of libertarian autobiographies ever published. Their stories are thrilling and fascinating.
