Accountability and the Control of Politicians: Selecting Good Types versus Sanctioning Poor Performance," in Adam Przeworski, Susan Stokes, and Bernard Manin (eds.) Democracy, Accountability, and Representation (Cambridge University Press, 1999), p. 55.

Democracy, Accountability, and Representation (Cambridge ...

An experiment in New Mexico regarding proposed spending during the state's 2008 special summer legislative session provides evidence that legislators update their positions when learning about voters' policy preferences, indicating representative democracy can increase accountability when politicians learn about voters' preferences.

Democracy, Accountability, and Representation (Cambridge ...

and Representation This book examines whether mechanisms of accountability characteristic of democratic systems are sufficient to induce the representatives to act in the best interest of the represented.

Democracy, Accountability, and Representation - cambridge.org

The concept of accountability is not by itself problematic, or at least it should not be. We say that one person, A, is accountable to another, B, if two conditions are met. First, there is an understanding that A is obliged to act in some way on behalf of B. Second, B is empowered by some formal institutional or perhaps informal rules to sanction or reward A for her activities or performance in ...

Democracy, Accountability, and Representation - Cambridge Core

The claim connecting democracy and representation is that under democracy governments are representative because they are elected: if elections are freely contested, if participation is widespread, and if citizens enjoy political liberties, then gov-

Accountability - Wikipedia

Susan Carol Stokes (born 1959) is an American political scientist and the Tiffany and Margaret Blake Distinguished Service Professor in the Political Science department of the University of Chicago, and the faculty director of the Chicago Center on Democracy. Her academic focus is on Latin American politics, comparative politics, and how democracies function in developing countries.

Democracy Accountability And Representation Cambridge

In a representative democracy – our form of government – these decisions are made by elected representatives and implemented by appointed officials to whom the representatives delegate some of the tasks of governing. The representatives decide what citizens must and cannot do, and they coerce citizens to comply with their decisions.
