consists of 8 lessons on website designing with year 8 students. The scheme I have chosen is to teach the students to design and implement their own website with a sequence of linked web pages. I am going to look into the opportunity for assessment that this scheme of work allows as nothing has been addressed within the unit.

Developing a scheme of work | The Key for School Leaders

A scheme of work, in short, is an overview or a long-term plan for what you aim to teach in a particular subject across a term or an academic year. It's a road map for where you want to go and the steps you will need to take in order to get there. Typically, a schoolteacher will need to put in place a scheme of work for each subject they will ...

geographygeek schemes of work

This scheme of work is underpinned by the assumption that good readers make good writers. Each unit therefore builds reading skills, which scaffold into writing. Papers 1 and 2 share the same set of skills, though the objectives for achieving these differ slightly.

Lesson planning and ideas: Creating a scheme of work

A good scheme of work should operate on several levels at the same time: as a guide to the teacher to the sequence of lessons for a particular course; as an expression to the teacher and others of confidence in understanding and interpreting the curriculum from which the scheme of work has been derived; and as a commitment to the aims and objectives contained within the scheme of work and the ...

Schemes of Work - UKEssays.com

Aside from pontificating at the front of a classroom, hands down my favourite thing about teaching is developing schemes of work. I find there's something extremely satisfying in developing a project that forms part of a larger whole, knowing its place within that whole, and knowing what else is needed in order to guarantee a good coverage of skills.
