Amazon.com: the development of children 7th edition  
Great for high school or entry college class into psychology. Unfortunately, this was a requirement for my child psych degree. I wish it wasn't so juvenile and was more in depth. The material seems rather basic, a lot of common sense information that anyone working towards a degree in child development or psychology should already know.

Development of Children Tp [Study Guide] Study Guide Edition  
Assessing Young Children features help professionals interpret the behavior of young children and use this information to plan programs, guide interactions, and enrich development.
