Digital Broadcasting: An Introduction to New Media ...

Digital Broadcasting presents an introduction to how the classic notion of 'broadcasting' has evolved and is being reinterpreted in an age of digitization and convergence. The book argues that 'digital broadcasting' is not a contradiction in terms, but-on the contrary-both terms presuppose and need each other.

Drawing upon an interdisciplinary and international field of research and theory, it ...

3. Broadcasting. Your bot can now connect and disconnect, however it still cannot do the most important thing - broadcast audio. Let's change that. Create a new command called play. Give it a string argument called file, and mark it with RemainingText attribute. It will make that argument capture all the text after the command's name.
