- A digital circuit design is just an idea, perhaps drawn out •  
Need to implement the circuit on a physical device – How do we get from design to IC (integrated circuit, aka chip)?

## **pdf design solution manual Frank vahid digital**

Offering a modern, updated approach to digital design, this much-needed book reviews basic design fundamentals before diving into specific details of design optimization. You begin with an examination of the low-levels of design, noting a clear distinction between design and gate-level minimization. The author then progresses to the key uses of digital design today, and how it is used to build ...
