I bought Glen Johnson's "Digital Wedding Photography: Capturing Beautiful Memories" at the same time as Bill Hurter's "The Best of Wedding Photojournalism: Techniques and Images from the Pros." Though Bill Hurter's book had some nice pictures and ideas, I was more impressed with the comprehensive business approach that Glen took in his book.

Digital Wedding Photography Capturing Beautiful Memories ...

Wedding photography is a specialty in photography that is primarily focused on the photography of events and activities relating to weddings. It may include other types of portrait photography of the couple before the official wedding day, such as a pre-wedding engagement session (photographs are later used for the couple wedding invitations). On the official wedding day, the photographer(s ...
