Discourse And Discrimination Rhetorics Of

A Public Kiss "[S]tudents of visual rhetoric may wish to consider how doing certain deeds expresses or conveys varied meanings from the perspectives of diverse participants or onlookers. For example, something as apparently simple as a public kiss can be a greeting between friends, an expression of affection or love, a featured symbolic act during a marriage ceremony, a taken-for-granted ...

Whiteness studies is the study of the structures that produce white privilege, the examination of what whiteness is when analyzed as a race, a culture, and a source of systemic racism, and the exploration of other social phenomena generated by the societal compositions, perceptions and group behaviors of white people. An interdisciplinary arena of inquiry that has developed beginning in the ...

Whiteness studies - Wikipedia

Discrimination is the application of beliefs that are based on prejudices and stereotype (Fiske, 2010). Bias is a negative evaluation of one group in relation to another group and can be expressed both explicitly and implicitly.

There are a number of passages in the Hebrew Bible and the New Testament that have been interpreted as involving same-sex sexual acts and desires. The passages about homosexuality in the Hebrew Bible start as early as the Torah (the first five books of the Bible).Several scriptures in the New Testament also reference homosexuality, including the Gospel in the books of Matthew, Luke, and ...

The relationship between feminism and transgender theory and politics is surprisingly fraught. The goal in this entry is to outline some of the key philosophical issues at the intersections, and this can be accomplished only by attending to the history of feminist and trans politics as it has unfolded in the U.S. “Transgender” as a politics and “trans studies” as a twin of “queer ...

1. Introduction. While the formal curriculum is the overt teaching of school subjects, the extra curriculum refers to teaching outside formal school hours—for example, extra maths or English classes, sometimes privately paid for—what the informal or hidden curriculum implicitly transmits are the values and rules, both academic and behavioural, of the school and society (Print, 2011).

Five dynamic language–power relationships in communication have emerged from critical language studies, sociolinguistics, conversation analysis, and the social psychology of language and communication. Two of them stem from preexisting powers behind language that it reveals and reflects, thereby transferring the extralinguistic powers to the communication context.

All discourse combines elements of both registers. This contention connects Kristeva’s account to feminist concerns about gender and the self. Since the rational orderliness of the symbolic is culturally coded masculine, while the affect-laden allure of the semiotic is culturally coded feminine, it follows that no discourse is purely ...
