BBC - Doctor Who - A Brief History of a Time Lord.

Welcome to this week's Doctor Who's Day roundup. A gallimaufry of Gallifreyan gubbins that has mysteriously appeared across the Internet over the past week, most which will be of particular interest to the Whovian hordes. This week, we begin with a sad thought. Last week, there was the news of the death of Alan Rickman.

Doctor Who 50th Anniversary: Script to Screen - 50th Read Through

As a doctor, I knew this was an example of the many ways in which our bodies are not perfect. You can take care of yourself and be a good person, and still random things can happen. She felt optimistic, but did say it could take a year for recovery assuming all went well and that the tumor was not cancerous.

Doctor Who A History Alan

After three years, First Doctor William Hartnell left, prompting the BBC to recast their hit rather than end it, giving us the first "regeneration" and making TV history. We follow the succession of Doctors—including Third Doctor Jon Pertwee, exiled to Earth and targeted by the Master—and see how the program reflected the feminism of the 1970s while gaining mainstream popularity with Fourth Doctor Tom Baker . . . until declining support from the BBC eventually led to cancelation.
