Proactive Classroom Management. Proactive teachers create a feeling of community in the classroom by modeling and encouraging positive behaviors, by creating opportunities for meaningful peer-to-peer or student-to-teacher interactions, and being aware of students who may need additional support through challenging times in the school day.

Frequently Asked Questions About the California Assessment ...

The Action Research Cycle. Action research is a cycle of inquiry and reflection. During the process, you will determine 1) where you are, 2) where you want to be, and 3) how you are going to get there. In general terms, the cycle follows these steps: Identify the problem and envision success. Develop a plan of action.
