"At Diagnostic Solutions Laboratory, we're not content with the range of clinical testing currently available to practitioners. We believe that every patient should achieve optimal health, and we're driven to give clinicians the tools to do so.

DDS Lab - DDS Dental Lab - Full Service Dental Laboratory

Their lab work, for my patients, is consistently of the highest quality. I know that the crowns, bridges, veneers, and implants that are made at DSG Williams with have a great fit and beautiful esthetics. Also, the customer service and communication delivered by the lab and their lab technicians is top notch.
