### **Specifications of a International DT 466 Engine | It Still ...**

**Currently I have an International DT530E engine in the shop. It had a knock in the engine when warmed up and coolant in the engine oil. I took the basepan off and filled the cooling system with water and found number two cylinder had water pouring down around the sleeve. Stripped down the engine and found that the piston had heat seizure marks on the aluminum part of the articulated piston and ...**

**List of International Harvester/Navistar engines - Wikipedia**

**The governed engine speed is approximately 2,500 rpm. With horsepower ratings ranging from 170 hp (130 kW) to 350 hp (260 kW), the Navistar DT engines are used primarily in medium-duty truck and bus applications, although prior to 1986 Navistar International, then known as International, the DT engine was used in farm and construction equipment.**

**International DT530, I530P (Non Electronic) Engine Data Sheet**

**Any tandem around here with a small engine 8-9 tons is the most you want to put on the truck. One of the P+D guys here had a International tandem with a 22 foot cube box with 530 power the truck was geared so low it was a POS to drive. I would find something else, just because it is selling cheap doesn't make it worth buying.**
