In Dungeons & Dragons, the players form an adventuring party who explore fantasy worlds together as they embark on epic quests and level up in experience. The Dungeon Master (also known as the DM) is the game's referee and storyteller. There's no winning or losing in D&D—at least, not in the conventional way. At its heart, D&D is a game that focuses on storytelling.

What is D&D | Dungeons & Dragons  
In the Dungeons & Dragons (D&D) fantasy role-playing game, alignment is a categorization of the ethical and moral perspective of player characters, non-player characters, and creatures. Most versions of the game feature a system in which players make two choices for characters. One is the character's views on "law" versus "chaos", the other on "good" versus "evil".
