an auto rather than a manual. The other one is, I am not sure if it has an LSD. I have read that the Aussie destined E28 535is didnt all come with an LSD. IS...

BMW E30 Transmission Swap Automatic to Manual | RTS - Your ...  
I sent him the full vehicle wire harness from a 2008 m5 6-speed car, along with all modules and cas/key/Dme. I think we still have one harness for a 6-speed in which I was saving it for my own my which I thought of making the swap. In terms of transmissions: the s65 and s85 have an almost identical 6-speed manual. Both will work with the V10.

535i Auto to Manual Conversion - E28 1982-1988 - BMW 5 ...  
The small 6 E28 is a little different. You need everything above, but you can only swap from another small 6 E28 for the flywheel/clutch/release bearing, transmission support bracket, the shift support and linkage, and the driveshaft. You cannot use a big 6 trans. This will not prepare you for a later big 6 or S38 conversion.

5 speed transmission swap - BMW E34 5 series Website  
I'm planning to do a 5spd manual swap for my '91 325i (currently automatic). I've search numerous forums and googled, and have found some write ups that I think will be useful. I just wanted to ask people here what you think I should have in terms of parts. What do you think would be a good idea to replace/repair while undergoing this project??
