turbodiesel manual as a result simple!

Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

RE: W210 E300 (606) auto to manual?
Sorry for bringing this discussion back from the dead, but has anyone successfully performed the manual transmission swap in a W210 since the thread was created? I have an opportunity to procure an otherwise nice W210 diesel specimen with a bad transmission, which would be a prime candidate for a manual swap.

Mercedes E300 Turbo Diesel Cars for sale

My 1999 turbodiesel E300 is such a great engine. I drove this car till 2007 then handed it down to my various children and it survives still. My youngest has it now. I drove it over the weekend for the first time in maybe 6 years and was so impressed So I plan to get the fender rust removed and have it repainted and plan to keep it in the family.
