Forums

If you just want to get rid of a service engine soon/SES light, Any Autozone or many other car parts stores will pull the code for you using a standard OBD2 diagnostic tool, and reset the light for you using that. If the problem still exists chances are the light will come back on soon.

***How to remove "service engine soon" on any BMW
The CHECK ENGINE light (or SERVICE ENGINE SOON) will only come on when the engine management system has recorded a fault. In order to know what the fault is, we must use a code reader tool to check the stored fault(s). We do offer a fault code reader and reset tool that you can use to check the codes.***
