'Earth & Sky' is the fantastic first book in what promises to be a phenomenal science fiction trilogy. The story follows our main character Skylar, or Sky, as she goes about her normal teenage life as a senior and dealing with incredibly powerful panic attacks that happen when something around her feels "wrong."

Earth and Sky
Some of the stories have been almost shockingly dark, but Superman: Up in the Sky #6 pulls it all together nicely. Still, the format of the story causes some problems. The first story this issue has Superman in battle against the alien mastermind behind the kidnapping, who engineered the whole thing to lure Superman off Earth so he can invade ...
