ManyBooks is one of the best resources on the web for free books in a variety of download formats. There are hundreds of books available here, in all sorts of interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are classic or creative commons books. ManyBooks is in transition at the time of this writing. A beta test version of the site is available that features a serviceable search capability. Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way.

EBC Brakes
EBC Sintered Double-H brake pads boast the highest friction level rating (H), becoming the industry standard in 2004. They carry the highest H title in two ways, hence the expression Double-H, as they are H-rated cold and H-rated when hot; This means no brake fade.

CONTENTS
I just replaced the front pads on my VFR800 at 20,000 miles. The factory Nissin pads still had decent life left but the feel at the lever with the new EBC pads is awesome, its like having a whole new braking system because the brakes now engage immediately when I pull rather than having to pull back a little before the worn pads engaged.

DP Brakes
Fair at best. Save your money and buy EBC or Galfer! These brake pads are fair at best. Motorcycle brakes are not Something I like to compromise in performance especially on a dual sport bike that is operated at highway speed's and sees both aggressive on and off road use. I've put a little over 200 miles on these pads.

EBC Brake Pad Selector Tool - EBC Brakes
OEM fitment calipers are more rigid, they retract more efficiently after use and apply the required pressure on brake pads in a more efficient way. A good aftermarket caliper will reduce brake pad temperatures and extend pad life and if designed properly will prevent tapered pad wear, prevent pad drag and overheat and in itself will vent better.
