its termination, with epilogues on the post-Independence period.

Economic History Of India V

The economic history of India begins with the Indus Valley Civilization, whose economy appears to have depended significantly on trade and examples of overseas trade, notable being Indus-Mesopotamia relations. The Vedic period saw countable units of precious metal being used for exchange. The term Nishka appears in this sense in the Rigveda. Around 600 BCE, the Mahajanapadas minted punch-marked silver coins. The period was marked by intensive trade activity and urban development. By 300 BCE, the
