Effective Modern Coaching by Myles Downey. Like all good books, Myles Downey's Effective Modern Coaching prompted me to reflect on broader themes in my life and work at the same time as providing me with direct information about the titular subject. And, like all good books, it left me with some simple insights which are worth sharing.

Miles Downey's book,

Download Free Effective Modern Coaching

Effective Modern Coaching, is the recent update to his 1999 Effective Coaching. It's a short and punchy introduction to the art of business coaching. It's split into four main parts, a description of coaching practice, the models and skills you can apply in coaching, approaches to coaching in the workplace, and a final short section on coaching for genius.
