The Elder Scrolls V: Skyrim: Dragonborn REVISED | Played With Artificial Orchestral Instruments

Unlike the prior Elder Scrolls games, which featured eight attributes that could be increased through leveling, Skyrim has only three values to increase, one of which can be selected each level: Health, Magicka, and Stamina. This change was done for the dual purposes of simplifying the leveling process and reducing unnecessary statistics, as the 8 attributes were considered to be simply a means of increasing the three above values.
